For parents and teachers

This book has Year 1 English practice, following the learning standards of the Malaysian KSSR (2017 revision, aligned 3rd edition): phonics, listening and speaking, reading and writing.

How to use this book

- Phonics first: say every sound aloud with your child before they write. Blend the sounds (c-a-t, cat) and break words up again.
- Many activities are for talking as well as writing — greet each other, ask "Do you like...?", read the story aloud together.
- Each page names the Learning Standard (LS) it practises.
- Colour the stars at the bottom of each page when your child feels they can do it.
- Answers are at the back. Where children write about themselves, any sensible answer is right.

For teachers

You may print and copy this book for your pupils, free of charge. Scan the QR code on any page for more free activity books at studiocilik.my.
